

## 英検4級 長文読解問題 ①

(1) Naoko is going to play tennis this weekend. She'll meet her friends at the station early on Saturday morning. They're going to take the train together to the tennis court.

Q. Where is Naoko going to meet her friends?

- |                        |                   |
|------------------------|-------------------|
| 1 At her house.        | 2 At the station. |
| 3 By the tennis court. | 4 On the train.   |

(2) I'm Scott. My friends and I usually play soccer for two hours every Sunday. Last Sunday, I was 30 minutes late, so we could only play for one and a half hours.

Q. How long did Scott play soccer last Sunday?

- |                       |                             |
|-----------------------|-----------------------------|
| 1 For two hours.      | 2 For one hour.             |
| 3 For thirty minutes. | 4 For one and a half hours. |
