

英検3級 長文読解問題 ⑧

(1) Sayaka is a high school student. Her English teacher asked her class to choose books to read from the library. Sayaka chose a book about a doctor who works on a small island. After she had finished reading the book, she wrote a report that explained the story. In her next class, she will read what she wrote to the other students.

Q. What will Sayaka do in her next English class?

- 1 Go to the library to find a book.
- 2 Listen to a doctor talk about his job.
- 3 Read something she wrote to the class.
- 4 Start writing a story with her English teacher.

(2) OK, everyone. Let's begin this evening's basic computer skills class. In last week's class, we learned how to use the keyboard and mouse, and how to find files. Today, I'm going to show you how to send e-mails to your friends and family. First, please turn on your computer.

Q. What will the students learn today?
